NPD does not feel that this gentleman is a physical threat, but if he does come in, call 911.

Ms. Beckett,

Mr. Colorado left a voice mail message yesterday afternoon indicating he does plan on coming to my offices sometime between 11am and 1:00pm. today, Friday, June 1, 2012.

Mr. Colorado is well known to Norfolk police; while a very insistent and aggressive protester, he has not crossed the line towards any physically threatening actions. However, he has been warned by NPD that he is not to come into this building and will be arrested if he does.

Our instruction is to call NPD should he show up. As an added precaution, we are keeping our front door locked; all Development personnel are aware of the situation and have been provided the picture of Mr. Colorado.

Our message to our employees is to remain calm and utterly professional in any engagement with him, and to not allow him to goad anybody to anger or abusive language. They are to call NPD in the event they see him today.

Thank you for your help; I am available at 620-3069 cell with any questions you might have.

Regards,

Chuck Rigney

This is who may or may not show up at the office and is the why we need to use the back door until further notice. Please be sure you have your key at all times. The back door is to remain locked as well.

Thank you.
